[Note that the office hours provided by the Pastor & Ministry Staff are times that each is available/free for visits or consultations in the office. They are not an indication of the number of daily hours and the Pastor & Ministry Staff actually spend working in the office, nor are the reflective of the many hours they are involved in ministry for Zion each day. The Pastor and Ministry Staff strive to be available in the Church Office at least 16 hours each week. Depending on the week's activities, meetings, planning, and pastoral care needs, staff may be available more or less than 16 hours. Please honor our staff members' days off by refraining from contacting them with non-urgent matters. Of course, Pastor JMe is always available in the case of an emergency via her cell phone, and she will strive to respond to the need as quickly as possible.]
