### ***HELP US REACH THE GOAL!!***

Our goal is to display the hands on the wall from the Narthex down the hall to the Food Pantry!

### **MAY EVENTS CALENDAR**

Copies are available on the ushers' table and on the window ledge in the back hallway.

## ALL CHURCH WORK DAY

The Property Committee wishes to thank the following members for participating in the Church Work Day last Saturday: Darrell Gerke, Dave Dumeyer, Jere Grube, Steve Haun, Marv Hoover, Kim and Jim Paternoster, Dottie and Dave Wauls, and Bob Wildasin.

Although the list of projects was reduced because of the rainy weather and the shipping delay of the shelving brackets for the Scout closet, a lot of work was still accomplished in the basement! The spare church pew was moved from the Scout Room in the basement to the Social Room; the church's property was separated from the scout's property and stored in the basement hallway; and the new drywall installed in the Scout's closet was primed. In addition, the dilapidated Parlor Courtyard gate was removed and deposited in the dumpster.

*All in all, it was another successful Work Day because of the cheerful members of Zion who came out Saturday morning. Thank you!*

# AND ...

**THE CPR/AED TRAINING** was a tremendous success! What a fantastic turnout for the training session last Sunday! Look at how many in our midst care enough to come out and learn what to do in the case of an emergency at the church! ***Thank you to Mary H. for leading the workshop and to everyone who stayed after worship to participate in it!***

Children's Classes - Five Through Finished Sixth Grade  
Youth Volunteers - Contact Mrs. Slechta

Through stories, crafts, games, and music, "God's Garden" explores how Jesus grew, how we grow, and how we spread seeds for others to grow.

As the cycle continues, the "Mustard Plant" grows.

Adults and Teens - Join Rev. Esbenshade. Using the text, *Earthwise: A Guide to Hopeful Creation Care*, the class will spend four evening sessions examining ways in which attendees might examine and embrace ways to enhance creation. Author of *Earthwise*, Calvin B. DeWitt, is a professor at the University of Wisconsin-Madison where he serves on the graduate faculties of Environmental and Resources, Water Resource Management, Conservation Biology and Sustainable Development. This book reflects how he integrates his faith and his work in the science and educational communities.
