Lutheran Church**

United in Christ, we are called to love and serve.

Connecting with God; Connecting with others; Connecting others with God.

FROM THE DESK OF PASTOR BARBARA CARUANA...

Friends in Christ ...

Let us pray.

O Lord, as the years change, may we find rest in your eternal changelessness. Help us to meet this new year bravely, in the faith that, while life changes all around us, you are always the same, guiding us with your wisdom and protecting us with your love; through our Savior Jesus Christ. Amen.

(by William Temple 1881-1944)

My, my! It's hard for me to believe we're already heading straight into 2020. Where has 2019 gone? More importantly, where are we going in 2020? That's a BIG question for all of us who are part of Zion Lutheran Church?

As we face a new year, we're immediately thrust into making some decisions that will affect the life and health of this congregation ... decisions concerning our worship; fellowship events; outreach and mission; faith formation needs for all ages; property needs; updating of Zion's policies and Constitution so the church of the future functions well; changes within our existing church as a result of the number of active members; giving levels; functioning under a deficit-spending budget; and the calling of a new pastor. I also wonder about our visibility in the community. Do we prefer to be an outwardly-focused mission-oriented congregation or a more inwardly-focused congregation?

For some, the above statement may solicit fear and discomfort; however, it's not intended to do that. In fact, I'd like you to think of it as an exciting, challenging statement. Obviously, we can't become the perfect church in one year ... maybe not even ten years. But ... we can start the hard work of figuring out who we are, who we want to be, and how we can get to where we want to be.

As the Profile Committee begins its work in 2020, I encourage them to be honest about who we are and what Zion wants to be. This is important so Zion develops a footprint of what we are looking for in a called pastor. One of the best ways to find the right pastor for Zion is through transparency within the congregation and with a potential candidate. When I refer to transparency, I'm talking about being open with each other about the good, the bad, and the ugly, and being able to talk things out among yourselves without fear of criticism or differences of opinion.

Moving into a new year can be mighty stressful and exciting. It often brings change with it. May we all be energized by what lies ahead; may we each find rest in God's eternal changelessness.

O Lord, help us to meet this new year bravely, in the faith that, while life changes are all around us, you are always with us ... guiding us with your wisdom and protecting us with your love.

†In God's peace ...

Pastor Caruana

♦ **Church Council**

Submitted by Adele King, Council President

The updates from Council in this article cover three months so I apologize in advance for all this information coming to you at once. During October, we discussed the establishment of a new team to develop “secure church” policies. We will begin with a new key usage policy. The Call Process was discussed and we will begin that in January. It was also decided that an update needs to be made to the spousal insurance plan for employees. The Property Team continues to deal with a leak in the roof affecting the nursery and kitchen; Darrell Gerke is taking strides to alleviate the problem.

Our 2020 goals were discussed and tweaked. We will continue to work on them and make them relevant and reasonable. A new microphone was purchased which will improve the projection of the Assisting Minister from the altar. Council also met for a special meeting to discuss upcoming budgetary matters and how to best present it to the congregation. We decided to reduce the amount that we, as a congregation, submit to the Synod. We also asked the Personnel Team to revise and decrease spousal insurance for 2020 and further yet in 2021. We will also meet to reevaluate how we use the Endowment Fund Principal and look at other ways to reduce expenses. Many thanks are in order to the Finance Team for their diligence and hard work.

The Congregation Meeting Information Session was held in the beginning of November. All financial facts were presented by John Hay, and I discussed nominees for Council, the Synod Representatives, and the new proposed “Statement of Purpose”. All of these were voted on and passed at the Congregation Meeting in mid-November.

At the November 18th Council meeting, it was decided that an Affirmation of the 2020 Council will happen in worship on December 29th. Team Leaders meetings were discussed and I agreed to send out an email to all team leaders to get their responses as to the value of those meetings.

We discussed the Fall Harvest Bash which was a huge success! \$1,000 was contributed from our silent auction to Hempfield High School for students with special financial needs to help them participate in extracurricular/school-related activities. It was announced that our roof leaks in the kitchen and nursery have been repaired. Also,

lighting in the narthex has been improved. Thanks, Darrell Gerke and the Property Team for you work with both of these issues!

At this meeting, Council established the final goals for 2020: (1) To create an identity that is specific to Zion. We will be asking for people to give their thoughts and suggestions in the very near future. (2) Coordinate and Launch the Call Process in partnership with the Lower Susquehanna Synod. Please pray for our people doing the profile writing and help them as they ask for input to this process. (3) Become more visible within the community. Any ideas you might have could be valuable.

Council members are reading the updated Safe Church Policy handbook and learning how to follow the procedures. More will be forthcoming to the congregation about the policy and the updates to it. Special thanks to 15 individuals who attended the training workshop in Lititz. A separate group is the Secure Church team. Keys will be the first focus of this group and the new key policy is established. We also have an Instagram account that was set up by Riley Klepper. Many thanks to her for her efforts with this. To visit us on IG, go to "Zion.Landisville".

In December, officer elections were held by Pastor Caruana. Elected were: President: Adele King and Vice Present: David Wise. Council members will be reaffirmed on December 29th in worship, and new members to the congregation will be received. Council also reaffirmed employee vacation time and Brenda Stover set a date of January 14th for the first meeting of the Profile Writing Team. They will meet with Pastor Blezzard from the Synod to help guide them through what is required.

The Community Meal was discussed; it was confirmed that meals will continue in 2020 as it has been. Thanks to Randy Miller, Diane Gerlach, and James Polinsky for their assistance with this ministry to the community. It was agreed to suspend the regularly scheduled Team Leaders meetings and, instead, hold them on an as-needed basis. Property reported that the roof leak into the nursery is apparently not completely fixed yet and Darrell will continue to look in to it.

As we celebrate the Christmas season, we look forward to our church family working together to keep things moving for the good of all. Please evaluate your time and talent and see if there is a way to help with anything mentioned above. May the Hope that is Jesus Christ guide us and help us with our choices!!

ASSISTANT ORGANIST OF THE DAY EXPERIMENT

As a follow up to the VBS organ crawl, I would like to invite children and adults to sit with me one or two at a time at the console during worship. The assistant will power on the organ, pull stops/cancels, help get the next hymn ready, turn pages, etc. The assistants will sign up for a Sunday. A picture of the assistant will be displayed on the Music Ministry bulletin board. A sign-up sheet is posted. I hope to see your name on the list! Thank you Amy Thompson for your help in November!

NEW YEARS RESOLUTIONS

It is January 2020, the beginning of a new year, so it is time to make those New Year's resolutions regarding trying to improve ourselves by going to the gym more often to lose weight, learn to play an instrument, or taking a foreign language course.

Seriously though, it is a good time to focus on our Christian life and to consider what resolutions you think would improve and to strengthen your faith in Christ and

service to those who need you in special ways.

Stewardship is not only about financial support to the church, but also about using your God-given talents in service to our Lord and Savior, Jesus Christ. I ask you to pray about your special talents and try to find ways to use them that would make others smile in appreciation. God will also smile.

FAT TUESDAY FRENCH MARKET CELEBRATION: FEB. 25, 5:30-8PM

Come on out, grab a bite to eat and enjoy the sights, sounds and tastes of New Orleans' famous French Market!

French roast coffees, teas, fresh beignets, and an authentic Cajun meal that will warm your heart and palate!

A free-will offering will be taken to help with the cost of ZYM's mission trip to New Orleans this summer.

A note from Jeff Engroff:

Saint Bernard Parish was devastated by Hurricane floods during Hurricane Katrina and two other hurricanes since. I have partnered with Saint Bernard Parish Project since 2010 by sending groups of young people into parish homes once destroyed and currently under construction. While in New Orleans, volunteers work side by side with home owners each day until the work at the sites is completed. We need your help and support to get us to New Orleans this

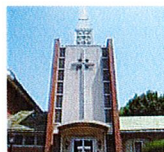

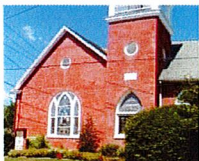

coming summer. The world may have forgotten about the thousands still without a home, but we haven't. At the time Katrina hit the Gulf Coast, it was then estimated that it would take over twenty years to rebuild. It's been fourteen years and there is still a lot to be done. By supporting this year's ZYM Mardi Gras event, buying gift cards, and purchasing subs, you help us reach our goal in getting the group safely there and back.

What is Beer and Bible?

Beer and Bible is a group that meets (usually) on the 3rd Thursday of the month and (usually) at Chancy's Pub in East Petersburg (off main street). People from 3-4 local congregations come together to meet for about 90 minutes over drinks and food. There are no "rules" except you must be 21 or over.

Conversations center around biblical, theological, or worldly questions and issues. Questions and dialogues are openly discussed through a 'theological lens.'

Martin Luther believed the premise that we are all theologians. Luther would pose questions or personal beliefs to other

Christians and then ask: "What does this mean?" Beer and Bible is an extension of this very practice. It is fun, light, heavy, deep, perplexing, and can be very inspiring.

What Beer and Bible is NOT:

It is not a Bible study. The "Bible" part on the group's name is a reference for the types of conversation found in the Bible. However, you are welcome to bring your Bible for your own reference or sharing. The "Beer" part in the group's name simply makes it known that ordering a beer is okay!

Upcoming gatherings will be advertised in the weekly bulletins and emails, Sunday morning verbal announcements, & on both the church website and Facebook page.
