A PICTURE IS WORTH A THOUSAND WORDS
Easter Sunday Edition 2020

Happy Easter to all the people of Zion.
Alleluia! Christ is Risen! He is Risen Indeed!

Just like so many other things going on these days, the celebration of Easter is different this year. So ... having had such a good response to the picture album I sent out on March 24, I thought I would do another one to brighten this year's Easter Sunday.

Have a joyful Easter and while you are looking though the 2020 Easter Album, share stories about previous Easters ... What did you wear to church years ago? Did you have an Easter Bonnet with all the frills upon it? What are your favorite Easter foods? How many pounds of chocolate did you consume on Easter?

After answering these questions and maybe having a few laughs, remember the real story about Easter: Christ is risen! He is Risen Indeed! Then remember to pray:

Lord Jesus, we can barely imagine how Mary felt early that Sunday morning, following the worst Friday ever. Her grief was magnified by her fear that someone had stolen your body from the grave. She was utterly and completely confused and the others did not provide much support for her.

How could things get any worse?

Then you came to her and called her by name. Instantly, everything changed. Everything!

Today you call us by name, too. We know you as our Lord and Savior. And we know you have the power to remove all our fears, especially during this incredible time of change when so many fear COVID-19, their lives, and what the future holds.

Help us remember, Lord, that life can only get better and better because you, the resurrected one, are always with us.

Thank you, Jesus. Alleluia! Amen.
