From: Adele King, President of Council
Date: June 17, 2020

Hello everyone,

This is just a quick update. At Zion's Church Council Meeting on Monday evening, it was decided that all of you would be interested in the survey results regarding the re-opening of the church, so the following data is being provided for your review. Ninety-two individuals responded to the survey.

CATEGORY	NUMBER OF VOTES
Will wait and decide later	36
When in green phase	18
Right away	14
In July or August	9
When there is a vaccine	8
In September	7
TOTAL VOTES	92

Based on these results, Council has decided to wait and send out another survey around July 13th to track changes in thinking related to re-opening Zion. Please know that Council approved all the measures that the Transition Team put into place for your health and safety. Zion will be in compliance with all CDC regulations. We will update measures as time moves forward. Meanwhile, stay well, stay safe, and continue to view our online services.

Hope to see you all soon!! Thanks to so many of you who are keeping your offerings coming to us!! Please keep the church staff and Council in your prayers!

God Bless!

Adele King
