## Easter 2021

### *Devotionals from Pastor Sell*

#### Monday, April 12

Sometimes I think God has a wicked sense of humor. In a couple weeks the weather has gone from freezing to warm, to a world painted with red budding trees, yellow and orange daffodils, pale pink magnolias, purple crocus, vibrant pink trees, and every shade of green. There are so many new things to see your head spins. It is as if God is saying “Hey, remember me!” Seemingly dead ground and trees have come alive in a spectacular way and a very short time. God has a wicked sense of humor.

Remember the opening lines of Candid Camera – “Some time, somewhere when you least expect it – Candid Camera.” Somewhere, some time when you least expect it God leaves his calling card and we are reminded God is active and present in the world yesterday, today, and tomorrow. God has a sense of humor and uses the unexpected to remind us he walks beside us each day.
