## **Easter 2021**

### *Devotionals from Pastor Sell*

#### **Wednesday, April 14**

I was preparing to back out of my parking space when a young woman ran up and tapped on my window. I wasn't sure what was happening, but she obviously wanted something. I opened the window and she handed me a little rubber duck with a note. "You've been ducked" she said smiling, "Have a great day." Then she was gone. I sat stunned for a few minutes and read the pink note clearly marked with the Jeep grill symbol. The back of the note was a signed message saying "We hope we made you smile today." I had been "ducked!" Later I Googled the Duck, Duck Jeep website listed on the tag and discovered in July 2020 Jeep owners in Canada started "ducking" fellow Jeep owners as a way of spreading smiles and joy in the midst of the pandemic lock down. What a neat idea!

As Christians we are called to make a difference. We are called to bring hope where we can. A little rubber duck with a pink tag made me smile and certainly brightened my day. Sometimes little things can make a very big impression.
