DAILY DEVOTIONAL FROM PASTOR SELL

Monday, August 23

In late summer the pink lilies bloom. You have seen them. The flowers sit atop long slender stems, no leaves, just stems and flowers. They usually appear in odd places and rarely look like they have been purposefully planted. The flowers don't appear every year but usually every other year. It is almost as if the plant waits for the right temperature, water, and light levels before making their appearance.

Galatians 4:4: *“But when the right time came, God sent his Son, born of a woman, subject to the law.”*

God sent Jesus “at the right time.” The time when humanity needed him. The time when people were willing to hear his message. Everything came together at the right time, just as the pink lilies come at the right time.
