DAILY DEVOTIONAL FROM PASTOR SELL

Tuesday, August 31

If you have driven through Landisville recently you know work is being done on the utility poles. I am not sure what they are doing but I have been intrigued by the yellow supports. Four yellow supports surround each pole while the lower portion receives attention. It is interesting to look down the street at all those yellow supports.

Most of us hold ourselves together fairly well most of the time. Like the utility pole we stand up by ourselves and for ourselves. Sometimes, however, we need extra support from family. Other times we reach out to friends. Church family can also provide support through prayer, phone calls, meals, and much more. God has provided a community to support us in the difficult times. God, too, is always there to walk with us.
