DAILY DEVOTIONAL FROM PASTOR SELL

Wednesday, February 2

A pair of doves returned to the garden the other day to feast on the sunflower seeds I put out. They pecked at the sunflowers seeds I had thrown on the pavement near the side door. They came back several times between visits by many other birds. Doves are interesting because they mate for life and return to the same place each year to nest. The doves are a little confused this year since they usually return in the Spring. I enjoyed watching them strutting around.

I thought about the hymn GREAT IS THY FAITHFULNESS as I watched them. Just as the doves are faithful to each other and to their nesting place, so God is ever faithful to us.

Great is thy faithfulness! Great is thy faithfulness!

Morning by morning new mercies I see;

All I have needed thy hand hath provided;

Great is thy faithfulness Lord unto me.
