DAILY DEVOTIONAL FROM PASTOR SELL

Tuesday, January 4

Epiphany is January 6, so we are going to consider the gifts of the Wise Men.

The first gift was gold and that is easy since we all like money, but there is a little more to it. Gold is a sign of kingship and gold; frankincense and myrrh were frequently given to the king. Gold is also known for its purity.

The gift of gold challenges us to think about how we use our money. Do we use it just for ourselves or do we share it with those in need?
