DAILY DEVOTIONAL FROM PASTOR SELL

Thursday, January 6

Today is Epiphany, one of the oldest seasons of the Church Year, second only to Easter. The earliest Christians called Epiphany the Theophany (revelation of God). When the Wise Men came to Jesus, they show Jesus is for all people, Jew, and Gentile.

As we enter a new year let's keep the words of the old Sunday School son in mind "Red and yellow, black and white, they are precious in his sight. Jesus love the little children of the world." He loves grownups too.
