## DAILY DEVOTIONAL FROM PASTOR SELL

## Friday, July 16

Behind Cooper house a single blue bell plant is blooming in the middle of the green ground cover. It is a tiny little thing with bright blue flowers. It shouldn't be there, but it is, and it blooms boldly. The good Lord allowed it to grow there to provide a bit of whimsy and a smile.

The Lord has gathered the people of Zion to bloom and grow in this community. He wants us to share the Good News of Jesus, help one another, and make Landisville the best possible place to live.
