DAILY DEVOTIONAL FROM PASTOR SELL

Wednesday, July 21

I see Zion's outdoor cross almost every day, so I started to really think about it one day. There it stands, an old, rugged cross in an expanse of lawn surrounded by tall ornamental grass. It is an interesting sign of death and new life, of Christ's death and resurrection. We need those signs in our lives. We need to see there is hope in every situation. It is only in focusing on Jesus' sacrifice on the cross and his glorious resurrection that we can face the future with hope.
