DAILY DEVOTIONAL FROM PASTOR SELL

Tuesday, June 1

When we were children, time seemed to pass very slowly. Next week was an unimaginable length of time away. The next holiday was an eternity in the future. Now I am in my 70s and time seems to fly in a flash of a nanosecond. How can it already be June? How can it be 2021 when just yesterday it was 1986? How can I be retired for almost a year? How did my daughter get to be 30?

The Bible tells us “With the Lord a day is like a thousand years, and a thousand years is like a day.” (2 Peter 3:8) There is comfort in knowing God is in control now and always. There is hope in knowing our sense of time is but a minute that can seem fast or slow, but it is God’s time which ultimately counts.
