DAILY DEVOTIONAL FROM PASTOR SELL

Thursday, March 10

As I drove around, I noticed all the broken branches on lawns in Landisville. Broken branches littered the lawn behind Cooper House. The branches were large and small. I really had not taken notice. So many people in our world are broken in so many ways – loneliness, illness, broken relationships, financial difficulties... As we go about our daily lives we hardly notice. Jesus calls us to take note. Jesus calls us to care. Jesus calls us to offer a healing word, a smile, or some encouragement.
