## **Lent 2021 – God’s Lessons All Around Us** *Devotionals from Pastor Sell*

### **LESSONS DRIVING AROUND.**

#### **Tuesday, March 2**

Many, many years ago I was young and driving in Philadelphia for the first time. The streets were narrow and paved with cobble stones. The old buildings were a delight for the eye. What I didn't see were the traffic lights on the sides of the streets. Every place I had ever lived had the traffic signals in the middle of the street. Seventeen red traffic lights later, I realized where the lights were. I was very thankful the police were not on that street that day and that I didn't have an accident.

It is easy to breeze through life and miss the small stuff, only to realize later the small stuff was the important stuff. Remember today that God loves you and cares for you. You may not always observe the many ways God looks after you so look carefully.
