JUST LIVING AND THINKING

Thursday, March 25

The sign outside the Olde Square Inn in Mount Joy changes frequently. There was a new sign today **Attitude is Contagious**. Wow what a thought! The more I thought about it, the more powerful it became. How easy it is for one grumpy person to change what is happening in a room. A positive, upbeat person can bring joy to any group. Attitude is Contagious.

Jesus is basically a positive, hopeful person. Yes, he has his moments, but on the whole he brings newness and healing to the situation. He accepts people where they are, shares the love of God and changes the attitude of those present. Let’s follow Jesus’ example and bring a positive attitude to today.
