JUST LIVING AND THINKING

Tuesday, March 30

As the first plants come to life this Spring, I have an abundant crop of weeds coming up between the pavers in my garden. They are tenacious plants. Cut them down and they regrow. Spray weed killer and in a couple weeks there they are again. Get really ambitious and dig them out, surprise!...they are back! Oh how determined they are.

Jesus was determined from the very beginning of his ministry. He knows he is destined to offend those in power and face death on the cross. He could have given up. He anguished over his fate as he walked closer and closer to his fate in Jerusalem. He just kept going. His determination brought salvation to us all.
