JUST LIVING AND THINKING

Wednesday, March 31

I have a cat. Well actually she is the cat my daughter gifted me when she moved out almost ten years ago. For most of that time the cat has been independent and stand-offish. She did her own thing and didn't bother with me at all. A month after I moved to Mount Joy, she crawled up on my lap. Now she is by my side whenever I am home. What an unbelievable change!

If there can be such a change in a cat, think what God through Christ can do with our lives. We can become open to possibilities we never imagined. We can live life with new awareness and zest. Forgiveness, grace, hope, and so much more will be part of our everyday life if we look to the creator and his son, Jesus.
