## **Lent 2021 – God’s Lessons All Around Us** *Devotionals from Pastor Sell*

### **LESSONS DRIVING AROUND.**

#### **Thursday, March 4**

One of the things I miss living in an urban area is the rising and setting of the sun. There is something about the power of God seen in what the ancient writer Homer called “the rosy fingers of dawn.” As the sun cracks the horizon and the fire blasts across the sky, life is put into perspective. God is in control and we are not.

It is so easy to think we determine our own destiny, but if you watch just one dawn or sunset you know God is in his heaven and in control.
