## **Easter 2021**

### *Devotionals from Pastor Sell*

#### **Wednesday, May 19**

It is approaching 500 days since the beginning of the Covid-19 pandemic. Days of confusion and questions. Days when we have been separated from loved ones. Days when normal activities were radically changed. Now, thankfully, the situation is beginning to ease. Thanks to the efforts of so many – scientists, essential workers, nurses, doctors, and many others. Yes, it has been difficult and frustrating.

The good news is that soon Zion will be able to fully gather for worship. We can soon sing God's praises with gusto. Coffee in the courtyard and narthex is being discussed. In-person Bible Studies, committee meetings, and activities are beginning again. We have come through the struggle and the end is near. Patience and fortitude have made the difference. Let's give thanks to God.
