DAILY DEVOTIONAL FROM PASTOR SELL

Friday, May 28

I have been called many names through the year. It began in grade school with teachers making remarks about how it sounded when put in the last name first on report card. Believe me I have heard every joke and song there is about my name. Many, many years ago I bought a brand new Ford Pinto. Ford determined my name was M. E. Lody Sell. I tried for years to correct it. I was granted relief when I sold the car and no longer had to deal with them. I haven't purchased a Ford product since.

The one name that has not changed or been mangled over the years is "child of God." God gives us that name and claims us in Baptism. It is a name we should proud of!
