DAILY DEVOTIONAL FROM PASTOR SELL

Friday, November 12

Have you heard about AMAL AND THE LONG WALK? Between July and November an 11-foot puppet walks across Europe. Dressed like a nine-year-old Syrian girl, the puppet is meant to encourage people to accept refugees and people who are different. Tens of thousands of people have come out to walk with Amal, whose name means “peace” in Arabic. It is a unique way of reaching out to people in friendship.

So often in the church we tend to do the same things year after year. New and creative ideas for sharing the Gospel are important. Let not be afraid of the new and different.
