## ***DAILY DEVOTIONAL FROM PASTOR SELL***

### **Wednesday, September 29**

As I drive around, it seems like we are between times. Some fields are brown and many are cut down following the harvest, while other fields are still green. I have even seen fields newly planted with crops which winter over. Without knowing the date, it is difficult to know what season it is. Is it Spring, Summer, or Fall?

Jesus talks about the end times and his return. Christians confess that although Jesus has ascended, he will return 'to judge the living and the dead.' We live in the in the times between Jesus earthly life and his second coming. Our calling is to live Jesus' teaching during these times. Our task is to "Love the Lord our God with our whole heart and our neighbor as ourselves." Let God worry about the details of Jesus return.
